Summer Announcements

SY2018 - On line Registration in SKYWARD FAMILY ACCESS will be available starting July 1st.

Our District Website is your information highway! Keep informed of everything at Dakota School District this summer

www.Dakota201.org

Students Community Service Due to the large amount of construction and other remodeling projects going on throughout the district this summer, there may be the need and opportunity for students **to earn community service (moving boxes and furniture, etc.)**. If you wish to help out this summer and earn community service hours at the same time, see Mr. Cline and leave your contact info.

YEARBOOKS are still available !

We still have a few leftIf you would like to PURCHASE one, you may do so in the office.

Summer reading materials get this from your English teachers before they leave today.

You will be responsible for the reading and assignment whether they get them or not.

7-11 Math Summer Workbooks are posted on the website under High School tab.

Sports Physicals: Will not be offered at the School this summer.

They will still be available for \$20 through the Monroe Clinic.

The dates and times of the Sports Physicals are posted on High School page, or pick one up in the office.
