Respectful. Resilient. Remarkable.

## FEBRUARY 2026 NEWSLETTER

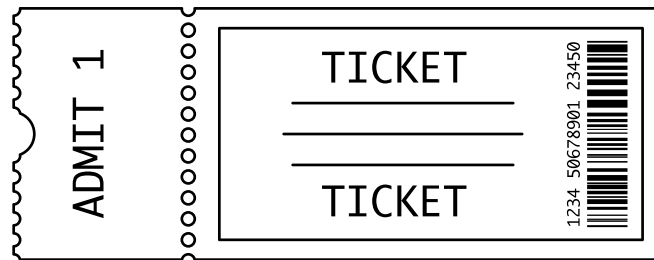

As we move through February, we want to take a moment to sincerely thank our families for your continued support and partnership. The connection between home and school is essential to the success of our students, and we are truly grateful for the role you play each day in supporting learning, growth, and well-being. Your role as parents and guardians is a vital part of our shared mission of developing respectful, resilient, and remarkable students who contribute positively to their communities and the world. The values reinforced at home directly impact students' success at school. When families and schools work together, students benefit academically, socially, and emotionally.

Thank you for being our partners, for your encouragement during the long winter months, and for all you do to support your children and our school community.

Thank you,  
Ms. Keffer, Superintendent

### ELEMENTARY NEWS

- Breakfast with a Buddy for Second Grade will be held on February 13. This is always a fun time for the students.
- Valentine's Day Celebrations will take place on February 13. Watch for any additional information from your child's teacher.
- Body Safety Lessons. To comply with the state of Illinois and Erin's Law, Voices of Stephenson County will provide age appropriate lessons to students during specials' time February 17 through February 27. Students will learn about boundaries, safe people, safety with strangers, appropriate touching, and how to communicate issues to safe people. Parents may opt students out of these lessons; forms have already been sent home.
- We are currently selling yearbooks. We only have a limited supply of yearbooks left for this school year. Please reach out to the Dakota Elementary Office and get them before they are all gone.

### Library Corner

The Dakota School District libraries are busy hubs at the heart of our schools! Even with the shorter, colder month of January, our students were incredibly active:

- Elementary Library: 1,616 books checked out
- High School Library: 273 books checked out

Way to go, Dakota readers!

### Highlights

January was a cozy and chill month for the Elementary Library. Students reflected on their 2025 goals and growth while brainstorming ways to celebrate our class accomplishments, to include meeting our AR goals! We learned about self awareness and the elements that increase our awareness such as recognizing our emotions, understanding our strengths, growth mindset, self- esteem, and honesty and integrity. Through our read-aloud sessions, we also explored the contributions of Dr. Martin Luther King Jr., and enjoyed titles from popular authors like Jan Brett, and Jory John.

**The scores are in!** The winter diagnostic scores are helping us to match students' interests with their i-Ready reading levels, specifically focusing on their Lexile range.

We are more than happy to purchase books to be added to our collection. If you would like a book to be added to our library, please make a request in our Follett Destiny app or see the library staff to request it. We have one special book we would like to highlight that was added to the library this month. This book is extra special as the authors are our Dakota students! This new book is called Excellence 2025 Poetry Collection and it contains some of our poems that were submitted to the American Library of Poetry last Spring. Lillian Kraft, Grace Meinert, and Richie Hofmaster are now published writers! Congratulations!

### Library Reminders

**Loan Period:** Books can be checked out for two weeks and may be renewed if needed.

**Checkout Limits:** Depending on their grade level, students may borrow two to four books at a time.

**Overdue Policy:** If a student has more than two overdue books, they must be returned before new books can be borrowed.

**Lost Books:** Items overdue for more than one month may be considered lost, and a replacement fine may be applied to the account.

### Support Our Library

If you are clearing off your bookshelves at home, please consider donating gently used books to our library system! Also, stay tuned for details on our upcoming Book Basket Silent Auction fundraiser.

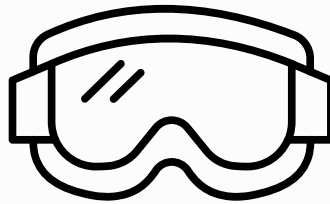

Join a library committee! We are in the process of forming a committee to select books for our libraries. Please connect with us if you want to be a part of this process.

Thank you for your continued support of our young readers!

Dakota families: Don't miss the Chestnut Mountain Discount Night on February 13th.

Chestnut Mountain Resort is offering a special district-wide Discount Night on Friday, February 13th, from 1:30 PM to 10:00 PM. For just \$35, participants will receive both a lift ticket and equipment rental-an incredible deal for skiers & snowboarders of all levels. Since February 13th is already an early dismissal day (11:30 AM SIP), it's a perfect opportunity for families to enjoy an afternoon and evening on the slopes. Please note that families must provide their own transportation and that this is not a chaperoned event; parents or guardians are responsible for their children. A district-wide email will be sent in February with the link to purchase tickets.

**DONATION DEN:** We're excited to share that the Dakota Donation Den is now open and ready to support our students and families. This space was created to ensure that everyone in our school community has access to basic necessities.

The Donation Den offers items such as basic clothing needs, hygiene items, and school supplies (when available). If your family could benefit from items in the Donation Den, please email [adague@dakota201.com](mailto:adague@dakota201.com).

We rely on the generosity of others to keep the Donation Den stocked. At this time, we are looking for coats (all sizes), hygiene items (shampoo, deodorant, body wash, toothpaste, feminine products, etc.), gloves, hats, socks, and school supplies. If you would like to donate any items, please feel free to contact [adague@dakota201.com](mailto:adague@dakota201.com) to coordinate drop offs.

Thank you for helping us ensure every student has what they need to be successful!

## FEBRUARY 2026 NEWSLETTER

Springtime is state testing season for schools and the technology department is preparing so testing goes as seamlessly as possible. There is a change to the online platform for at least one test this year. This adds some complexity but we are confident testing will go smoothly.

With the continued increase in systems with AI built into them available, we have had requests from teachers regarding access to AI technologies. Due to these requests, we are setting up some training for teachers for the upcoming February SIP day so that they are more prepared to best utilize those resources.

Issues with Chromebooks have been holding steady with a slight uptick in issues within the last couple of weeks. We appreciate the effort that students are making to use these devices mindfully which helps to minimize any damage.
