Respectful. Resilient. Remarkable.

## JANUARY 2026 NEWSLETTER

We hope you and your family enjoyed a restful and meaningful winter break. As we begin the new year, we are excited to welcome students back to school on Monday, January 5. Our staff is prepared and eager to reconnect with students, reestablish routines, and continue the important work of learning and growth together.

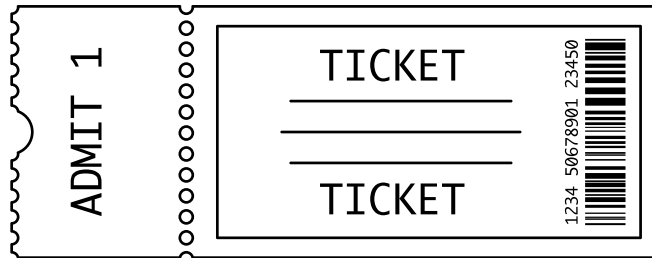

After a two-week break, transitioning back into a school routine can be challenging for some students. Consistent attendance is critical during this time, as it helps students reengage academically, socially, and emotionally. We appreciate your partnership in ensuring students arrive on time and ready to learn each day. We look forward to a successful start to the new semester and wish all of our families a great 2026.

Thank you,

Jenny Keffer  
Superintendent

### Library Corner

The Dakota School District libraries are busy hubs at the heart of our schools! Even with the short month of December, our students were incredibly active:  
Elementary Library: 1,393 books checked out  
High School Library: 268 books checked out  
Way to go, Dakota readers!

### Quarter 2 Highlights

December was a fast and fabulous month for the Elementary Library. Through our read-aloud sessions, students explored diverse holiday traditions, the science of snow, and the animals that burrow beneath it. This quarter, we focused on the Accelerated Reader (AR) program by Renaissance. This tool motivates students by allowing them to choose their own books, track their progress, and take short quizzes to earn points.

## JANUARY 2026 NEWSLETTER

The highlight of our library sessions was watching our digital "goal trees" bloom on the smartboard. As each grade band worked toward meeting 100% of their class goals, their tree grew leaves, apples, and birds. We saw incredible growth this quarter among our 272 participating students in grades 2-6:

1st Quarter: 83 students (30%) met their goals.

2nd Quarter: 160 students (59%) met their goals.

This represents a fantastic 29% increase in students reaching their targets!

Continued coordination and collaboration with our leadership team and teachers will shape how the AR program is used in the library, but from our classroom it is really exciting to see the students discover their love of reading!

Moving forward, we will continue matching students' interests with their i-Ready reading levels, specifically focusing on their Lexile range.

### Library Reminders

**Loan Period:** Books can be checked out for two weeks and may be renewed if needed.

**Checkout Limits:** Depending on their grade level, students may borrow two to four books at a time.

**Overdue Policy:** If a student has more than two overdue books, they must be returned before new books can be borrowed.

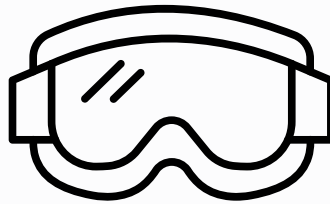

**Lost Books:** Items overdue for more than one month may be considered lost, and a replacement fine may be applied to the account.

### Support Our Library

If you are clearing off your bookshelves at home, please consider donating gently used books to our library system! Also, stay tuned for details on our upcoming Book Basket Silent Auction fundraiser.

Dakota families: Don't miss the Chestnut Mountain Discount Night on February 13th.

Chestnut Mountain Resort is offering a special district-wide Discount Night on Friday, February 13th, from 1:30 PM to 10:00 PM. For just \$35, participants will receive both a lift ticket and equipment rental-an incredible deal for skiers & snowboarders of all levels. Since February 13th is already an early dismissal day (11:30 AM SIP), it's a perfect opportunity for families to enjoy an afternoon and evening on the slopes. Please note that families must provide their own transportation and that this is not a chaperoned event; parents or guardians are responsible for their children. A district-wide email will be sent in February with the link to purchase tickets.

**DONATION DEN:** We're excited to share that the Dakota Donation Den is now open and ready to support our students and families. This space was created to ensure that everyone in our school community has access to basic necessities.

The Donation Den offers items such as basic clothing needs, hygiene items, and school supplies (when available). If your family could benefit from items in the Donation Den, please email [adague@dakota201.com](mailto:adague@dakota201.com).

We rely on the generosity of others to keep the Donation Den stocked. At this time, we are looking for coats (all sizes), hygiene items (shampoo, deodorant, body wash, toothpaste, feminine products, etc.), gloves, hats, socks, and school supplies. If you would like to donate any items, please feel free to contact [adague@dakota201.com](mailto:adague@dakota201.com) to coordinate drop offs.

Thank you for helping us ensure every student has what they need to be successful!

\*\*\*\*\*

The Technology Department completed upgrades to many of the systems in the district over winter break. These updates were done in order to stay up to date with current security practices.

Chromebook operating system updates will be going out to student devices in the early part of January. This will keep the Chromebooks current for any security issues discovered for the older software versions while maintaining compatibility with state testing software. This also appears to fix several known issues that a small number of students experienced in December.
