

## ESSER III Plan

Item	Target Group	Year	Expense	Description	Category
RTI Teacher (.5)	7th-12th grade	FY 23	\$102,037 (including benefits)	Administers assessments to students who are struggling with learning loss due to the COVID-19 pandemic. Identify skill deficits that will then be remediated through targeted interventions.	LEA Loss of Learning
IXL Curriculum	7th-12th grade	FY 23, 24, 25	\$18,360 (3 year subscription)	IXL will provide personalized learning and analytics to meet the individual needs of students. This will help remediate learning loss due to the covid pandemic.	LEA Loss of Learning
Online Subscriptions	K-12	FY 23, 24, 25	\$12,000	Teachers and students will have the opportunity to utilize subscriptions to support in person and remote learning, as necessary (ex. Blookit, Quizlet, Kami).	LEA Loss of Learning
Grade 11 LA Textbooks	11th	FY 23	\$4,000	Textbooks for Grade 11 students will help align the curriculum to state standards and ensure learning loss due to covid is addressed.	LEA Loss of Learning
Secondary Textbooks	6th-12th	FY 23	\$20,000	New textbooks will help support academic achievement and address learning loss due to covid.	LEA Loss of Learning
SEL Curriculum	K-12	FY 22	\$5,000	An SEL curriculum (ex. Second Step) will help address the social emotional needs of students due to covid.	LEA Loss of Learning (\$2,844) SEA Reservation Loss of Learning (\$2,156)
Flexible Seating	K-12	FY 24	\$34,470	Flexible seating will help create a 21st century learning environment and assist with being able to spread-out students when social distancing is necessary to stop the spread of covid.	Use of Funds
Teacher Laptops	K-12	FY 23	\$85,500	Teacher laptops will be used to improve instruction during remote learning and adaptive pauses.	Use of Funds
Projector in Gym	K-6	FY 22	\$15,000	The projector in the gym will provide an additional space for students to learn when students are required to be socially distanced.	Use of Funds

Substitute Teacher Salary and Benefits	K-12	FY 23, 24, 25	\$16,042	Substitute pay will help support the opportunity for teachers to participate in professional development.	LEA Loss of Learning
Staff Professional Development	K-12	FY 23, 24, 25	\$67,963	Professional development opportunities will allow staff to strengthen their instructional practices, particularly in the area of remote/digital instruction. This will also help address learning loss due to covid. Additionally, the use of Solution Tree will help guide the district's professional development needs.	SEA Reservation Loss of Learning (\$25,000) LEA Loss of Learning (\$42,963)
iReady Software	K-12	FY 23, 24, 25	\$36,000	iReady will be utilized as a diagnostic tool and digital instructional tool. It will help identify the needs of students (particularly due to covid) and provide targeted interventions to support academic achievement.	LEA Loss of Learning (\$25,138) SEA Reservation Summer Enrichment (\$5,431) SEA Reservation After School Programs (\$5,431)
Shed	Pre-K	FY 22	\$20,000	The outdoor shed will be used to store outdoor equipment for our PreK program to promote outdoor activities and store supplies needed to help prevent the spread of covid.	Use of Funds
Upgrade bathrooms and sinks	K-12	FY 23	\$100,000	The upgraded sinks, water fountains, and toilets will help to prevent the spread of covid by being hands free.	Use of Funds
Library Upgrades	K-12	FY 22 and FY 23	\$196,958	The upgraded libraries will help to space students out more than 4 feet apart to help stop the spread of covid.	Use of Funds
Science Lab Upgrade	9th-12th	FY 23	\$60,000	The science room upgrades will help improve science instruction at the high school, strengthen the curriculum, and space students out more than 4 feet apart to help stop the spread of covid.	LEA Learning Loss
Cafeteria Tables	K-12	FY 22	\$50,000	The cafeteria tables will be used to help with social distancing during lunch.	Use of Funds
Outdoor Eating Space	7th-12th	FY 23	\$6,640	The outdoor eating space will be used to help with social distancing during lunch.	Use of Funds
