

The Safe School Helpline® Flowchart

**Break The Silence
Prevent The Event**

The school district subscribes to Security Voice. Posters, tri-fold brochures, and magnets provide enough information for the individual to report the incident. Student, parent, or teacher wishes to **anonymously** advise the school **regarding potential wrongdoing; confidentially and without fear of retribution.**

Report by Mobile App

Caller hears greeting and is prompted to press:
1) For English 2) For Spanish
Caller listens to menu prompts and selects 1, 2 or 3.

**1.
First Time
Caller**

Caller hears introduction, is given a case number and leaves a message.

After leaving message, caller is instructed to call back in 3 school days with case number.

**2.
Follow Up
Calls**

Caller, using case number, calls back to see if school has follow up questions for the allegation being reported.

Caller answers questions, and is instructed to call back in 3 school days for further information if needed.

**3.
Mental Health
Counseling**

Caller chooses to speak with a live trained mental health/suicide counselor.

Immediate action is taken if the call or event is a crisis. For reasons of confidentiality, counseling calls are not sent to the schools.

After all calls above, except for counseling calls, reports are transcribed verbatim.

Reports are emailed to school contacts the next business day.

OR

Reports are uploaded into Case Management System. Schools can electronically track report status and history of reports online.
